A 30% non-refundible deposit is required to reserve an event.

Unless the client purchases a ARCHIVAL ARTWORK, all artwork produced by the artist at the event are the property of the artist, and will be destroyed soon after the event.

If the client elect to purchase the ARCHIVAL 10-12" TERRACOTTA SCULPTURE, or the ARCHIVAL PAINTING, the artist will require an additional 4-6 weeks, post event, to craft/finish/mount the artwork. The ARCHIVAL ARTWORK will be hand delivered on it's completion.

If the client elects to have a copy of the ARCHIVAL ARTWORK at the event to be sold or auctioned off to another client. The artists requires 4-6 weeks prior to the event to create the ARCHIVAL ARTWORK and have it ready in time for the event.
